▼ People just need to keep an eye out. Maybe go over to their pages and show them support somehow without saying that you're staying there?

Am I living here... surprised things aren't crazier than they are. I'm looking forward to my trip to DC though!

Yeah, that sounds like Massachusetts in a nutshell :/ I'm a lone trump supporter (kinda near other trump supporting areas), in a crazy train of Biden brainwashed folks. it's pretty bad here... but because everyone is the same, no one fights against it. If I didn't love my life/business/friends here so much I'd leave. But I really love everything here but the admin and the politics.

The minute they do something stupid like try to secede or something, though, I'm gonna get the hell out! I'm far enough away (thankfully), but kinda near Amherst and Northampton, then pinnacle

of the freaks so to speak. Part of the problem here (as far as I can tell) are the obsessions with the Kennedy's and their history here.

Glad to see people pushing back on them a bit. What they're doing is shameful ! They've caused more harm than we have.

Of course they're getting paid to do it, so...
